

### **Menzies Distribution secures further contract renewals**

Menzies Distribution (Menzies), the newspaper and magazine wholesaling division of John Menzies plc, is today pleased to confirm that it has successfully renegotiated contract terms with Frontline and Seymour.

The new agreements, with two of the largest magazine distributors in the UK, will see Menzies continue to distribute their full portfolios of titles. The agreement also secures additional revenues for Menzies' diversified businesses.

Both agreements run through to 2020 and secure some £180m of annual trade sales value.

David McIntosh, Managing Director said,

"I am very pleased to have secured terms with Frontline and Seymour. These renewals are a further step in underpinning our core business. We now have contracts with the majority of the major publishing groups secured through to 2019 and this allows us to build for the future with confidence."
