In this Article, all references to:
(a) “the Carrier” or “the Handling Company” shall include their employees, servants, agents and subcontractors;
(b) “ground support equipment” shall mean all equipment used in the performance of ground handling services included in Annex A, whether fixed or mobile, and
(c) “act or omission” shall include negligence.

1.1. Except as stated in Sub-Articles 8.5 and 8.6, the Carrier shall not make any claim against the Handling Company and shall indemnify it (subject as hereinafter provided) against any legal liability for claims or suits, including costs and expenses incidental thereto, in respect of:
(a) delay, injury or death of persons carried or to be carried by the Carrier;
(b) injury or death of any employee of the Carrier;
(c) damage to or delay or loss of baggage, cargo or mail carried or to be carried by the Carrier, and
(d) damage to or loss of property owned or operated by, or on behalf of, the Carrier and any consequential loss or damage;

arising from an act or omission of the Handling Company in the performance of this Agreement unless done with intent to cause damage, death, delay, injury or loss or recklessly and with the knowledge that damage, death, delay, injury or loss would probably result.

PROVIDED THAT all claims or suits arising hereunder shall be dealt with by the Carrier; and
PROVIDED ALSO THAT the Handling Company shall notify the Carrier of any claims or suits without undue delay and shall furnish such assistance as the Carrier may reasonably require.

PROVIDED ALSO THAT where any of the services performed by the Handling Company hereunder relate to the carriage by the Carrier of passengers, baggage or cargo, then if the limitations of liability imposed by the Warsaw Convention and/or the Montreal Convention (1999) as applicable and as amended from time to time would have applied if any such act or omission had been committed by the Carrier but are held by a Court not to be applicable to such act or omission committed by the Handling Company in performing this Agreement then upon such decision of the Court the indemnity of the Carrier to the Handling Company hereunder shall be limited to an amount not exceeding the amount for which the Carrier would have been liable if it had committed such act or omission.

1.2. The Carrier shall not make any claim against the Handling Company in respect of damage, death, delay, injury or loss to third parties caused by the operation of the Carrier’s Aircraft arising from an act or omission of the Handling Company in the performance of this Agreement unless done with intent to cause damage, death, delay, injury or loss or recklessly and with knowledge that damage, death, delay, injury or loss would probably result.

1.3. (a) Notwithstanding the provisions of Sub-Article 8.1, in the case of claims arising out of surface transportation which is provided on behalf of the Carrier and is part of the operation of loading/embarking or unloading/discharging and/or is covered by the Carrier’s Contract of Carriage the indemnity shall not exceed the limits specified in the said Contract of Carriage.
(b) In the case of claims arising out of surface transportation which is not provided on behalf of the Carrier and/or is not part of the operation of loading/embarking or unloading/discharging and/or is not covered by the Carrier’s Contract of Carriage the waiver and indemnity herein contained shall not apply.

1.4. The Handling Company shall not make any claim against the Carrier and shall indemnify it (subject as hereinafter provided) against any legal liability for claims or suits, including costs and expenses incidental thereto, in respect of:
(a) injury to or death of any employees of the Handling Company, its servants, agents or subcontractors; and
(b) damage to or loss of property owned or operated by, or on behalf of, the Handling Company and any consequential loss or damage;

arising from an act or omission of the Carrier in the performance of this Agreement unless done with intent to cause damage, death, delay, injury or loss or recklessly and with knowledge that damage, death, delay, injury or loss would probably result.
1.5. Notwithstanding Sub-Article 8.1(d), the Handling Company shall indemnify the Carrier against any physical loss of or damage to the Carrier's Aircraft caused by the Handling Company's negligent act or omission PROVIDED ALWAYS THAT the Handling Company's liability shall be limited to any such loss of or damage to the Carrier's Aircraft in an amount not exceeding the level of deductible under the Carrier's Hull All Risk Policy which shall not, in any event, exceed USD 1,500,000 except that loss or damage in respect of any incident below USD 3,000 shall not be indemnified.

For the avoidance of doubt, save as expressly stated, this Sub-Article 8.5 does not affect or prejudice the generality of the provisions of Sub-Article 8.1 including the principle that the Carrier shall not make any claim against the Handling Company and shall indemnify it against any liability in respect of any and all consequential loss or damage howsoever arising.

1.6. Furthermore, notwithstanding Sub-Article 8.1(c), the Handling Company shall indemnify the Carrier against direct loss of or damage to the Carrier's cargo (excluding Mail) caused by the negligent act or omission by or on behalf of the Handling Company in the provision of the services and/or the supply of goods under this Agreement PROVIDED ALWAYS THAT the Handling Company's liability shall be limited to as set out in article 22.3 of the Montreal Convention 1999 or any amendment to that Convention in force at the time of the loss or damage or to the actual compensation paid out by the Carrier, whichever is less. In any event, the total amount of the claim shall not exceed USD 1,000,000, except that loss or damage in respect of any claim below USD 500 shall not be indemnified. Any claim shall be submitted within the time limits set out in article 31.2 of the Montreal Convention 1999. For the avoidance of doubt, the liability of the Handling Company shall never exceed the liability of the Carrier.

ARTICLE 9. ARBITRATION
In the event of any dispute or claim concerning the scope, meaning, construction or effect of this Agreement, the parties shall make all reasonable efforts to resolve disputes amongst themselves. Failing mutual resolution of the dispute, the parties may elect to resolve the dispute through arbitration (either by a single arbitrator or a panel of arbitrators). In the event that the parties fail to agree to an arbitration process, the dispute shall be settled in accordance with the laws of the state or jurisdiction set out in Annex(es) B, by the courts set out in Annex(es) B without regard to principles of conflict of laws.

4.2. Modification of, or additions to this Agreement shall be recorded in Annex(es) B.
4.3. Any notice referred to under this Article 11 given by one Party under this Agreement shall be deemed properly given if sent by registered letter, or by other means where proof of receipt or acknowledgement is obtained, to the respective office of the other Party as recorded in the Annex(es) B. In the case of a registered letter notice shall be considered to be served on the date of receipt.
4.4. This Main Agreement shall continue in force until terminated by either Party giving sixty days prior notice to the other Party.
4.5. Termination by either Party of any Annex(es) B to this Agreement of all or any part of the services provided at a specific location requires sixty days prior notice to the other Party. In the event of part termination of services, consideration shall be given to an adjustment of charges.
4.6. Any Annex(es) B to this Agreement exceeding a defined period of validity, shall continue in effect until terminated by either party providing sixty days prior notice to the other Party.
4.7. In the event of either Parties permit(s) or other authorisation(s) to operate in the agreed location(s), wholly or in part, being revoked, cancelled, or suspended, that Party shall notify the other Party without delay. Thereafter either Party may terminate the Agreement or the relevant Annex(es) B at the effective date of such revocation, cancellation or suspension by giving to the other Party notice within twenty-four hours after such event.

4.8. Either Party may terminate this Agreement and its Annexes at any time if the other Party becomes insolvent, makes a general assignment for the benefit of creditors, or commits an act of bankruptcy or if a petition in bankruptcy or for its reorganisation or the readjustment of its indebtedness be filed by or against it, provided the petition is found justified by the appropriate authority, or if a receiver, trustee or liquidator of all or substantially all of its property be appointed or applied for.

4.9. Both Parties shall be exempt from obligation if prompt notification is given by either Party in respect of any failure to perform its obligations under this Agreement arising from any of the following causes:
—labour disputes involving complete or partial stoppage of work or delay in the performance of work;
—force majeure or any other cause beyond the control of either Party.

4.10. In the event of the Agreement or part thereof being terminated by notice or otherwise, such termination shall be without prejudice to the accrued rights and liabilities of either Party prior to termination.

4.11. The Handling Company shall have the right at any time to vary the charges set out in the Annex(es) B provided, however, that the Handling Company has given notice in writing to the Carrier not less than sixty days prior to the revised charges becoming effective. The notice shall specify the revised charges which the Handling Company proposes to introduce, together with the date on which they are to be brought into effect.

4.12. Notwithstanding Article 11.11, when changes occur in the schedule, and/or frequencies and/or types of aircraft, other than those set out in Annex(es) B, which affect the handling costs, either Party shall have the right to request an adjustment to the handling charges as from the date of the change provided that the Party informs the other Party within thirty days of the change.
