600+ Customers globally

Menzies Aviation is the leading service partner to the world's airports and airlines, with operations on six continents, at more than 300 airports in 65-plus countries, serving more than 4 million flights a year and handling over 2.5 million tonnes of cargo.

Supported by a team of more than 50,000 highly trained people, the company provides complex and time-critical ground services, including passenger, lounge and ramp services; air cargo services, including handling, warehousing and wholesale freight forwarding; and fuel services, including fuel farm management and into-plane fuelling.
