Terms and conditions apply.

Terms and Conditions

(Effective 16th March 2026)

General

- i) All per kilo and minimum rates are calculated on the declared chargeable weight shown on the MAWB.
- ii) Charges are minimum rates and may be increased if additional work or expenses are involved.
- iii) The tariff is subject to alteration without notice.
- iv) Other services and charges available on request.
- v) In the event storage accrues due to an event outside of Menzies Aviation's control, including customs clearance, then the full storage charges will be applicable including seized or shipments under investigation.

Exports

- i) All export shipments will be charged a combination of Standard Charges for Processing and Handling, Terminal Handling Surcharge and AWB Process Fee. (Other incidentals will apply when required)
- ii) Security charges will apply to secure cargo if CAA requirements are not met in full.
- iii) Secondary screening charges apply in addition to the primary security screening charges if a shipment failed to be made secure via primary screening method. If shipment cannot be screened by Known Suppliers, additional Charges will apply if third party used.
- iv) AWB amendments made at the request of Shipper, Agent, or Carrier and/or following an irregularity found by the Carrier or his Agent.
- v) Security handling charges apply for special handling and storage in the security facility but do not cover insurance outside of the current applicable SDR rate.
- vi) Shipments requested to be removed from this facility after acceptance will be subject to all applicable THC's including minimums.

Imports

- i. All import shipments will be charged a combination of Standard Charges for Processing and Handling, Terminal Handling Surcharge and Service Continuity Fee. (Other incidentals will apply when required)
- ii. Import consignments cleared and delivered split, or received as part-shipment, will have handling and storage charges applied to each part. Any pieces not collected in full will be charged storage on the weight remaining in the facility.
- iii. Security handling charges apply for special handling and storage in the security facility but do not cover insurance outside of the current applicable SDR rate.
- iv. Any shipment of VUN arriving following notification by Airline or Agent will be subject to a Vault/Secure Handling charge.
- v. All Import Charges will be invoiced to the Agent Clearing the goods against that Badge Code.
- vi. Import Documents (Carnets etc, will be held on the counter to be signed off by Import Agent.)
- vii. Storage Rate per day or part thereof (Free period of 24 hours). Free period of storage commences at 23:59hrs on the day of arrival. Where a shipment arrives on a Saturday, Sunday or public holiday, the free period commences at 23:59hrs on the next working day.
