550+ Customers globally

Menzies Aviation is the leading service partner to the world's airports and airlines, with operations on six continents, at more than 340 airports in 65 countries, serving more than 5 million flights a year and handling over 2 million tonnes of cargo.

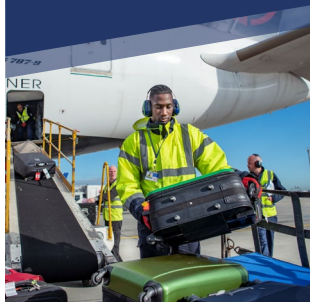

Supported by a team of more than 65,000 highly trained people, the company provides complex and time-critical ground services, including passenger, lounge and ramp services; air cargo services, including handling, warehousing and wholesale freight forwarding; and fuel services, including fuel farm management and into-plane fuelling.
